

# cue's:clues

Freda's my neighbor, not very far,  
My home is the square, where I watch from afar.  
I'm tall and upright, my lines so straight,  
With just one number, I'm sure you'll relate.  
Counting up to twelve, and down to one,  
I'll help you keep time until you're done.

If you want to win a prize today,  
Stand in front of me and note seven, okay?  
Take a picture and share it with glee,  
A prize could be yours, just wait and see.

But to qualify for the prize to win,  
Post your picture on social media and grin.  
Tag @cuecreative, @KLTv7News too,  
Be sure to use the hashtag #cuescluessaturday2

You've done your missions for the day,  
Relax and enjoy, and make your way.  
The next clue will come by 9 AM,  
On April 9th, no need to cram.

Congratulations on making it this far,  
Good luck with the rest, wherever you are!
