This building is on Broadway.
It's capped with crenellations,
Atop a brown turret,
And houses an engineering corporation.

Go southwest of this building;
The stage ends your trail.
Shoot a video of yourself
Quoting from "The Holy Grail."

Upload the clip to your socials,
And tag the stage's location.
Use the hashtag **#cuescluestuesday**
In your daily notation.

(Don't forget to tag **@cuecreative** in your post as well)
